

# IT VISA

## STEP - by - STEP

### Submit the set of documents to the Ministry of Economy and Infrastructure (MEI)

The files should be sent **electronically** to the secretary of the MEI Commission:  
[isae.spinu@mei.gov.md](mailto:isae.spinu@mei.gov.md) (+373 60436062)

### Apply to the BMA for the right of temporary residence by submitting:

- + standardised form(available on [bma.gov.md](http://bma.gov.md))
- + national passport (original and copy)
- + proof of dwelling and medical insurance
- + service contract
- + the criminal record translated and legalized by the authorities of the state, which the alien holds the citizenship of\*

\* in case of at least two years stay in another country, the criminal record issued by the state of residence, translated and authenticated, as well as the document confirming the right of residence is to be submitted.

\* in case of extension of the right of residence, the criminal record should not be submitted, instead the copy of residence permit shall be presented.

01

Prepare the **set of documents** for the **Commission under the Ministry of Economy and Infrastructure**, which includes:

- + written intent to invite one or more people (according to the template)
- + copy of the person's identity documents
- + copy of documents confirming the qualification and/or certification of the person
- + consent for visualization and verification of personal data (according to the template).

02

03

Get the copy of the **MEI Commission opinion** addressed, as a recommendation, to the Bureau of Migration and Asylum (BMA)

04

05

Obtain the right of temporary residence:

**4 years - for IT managers**  
**2 years - for IT specialists**

**\* With the possibility of extension**
