DECISION
on establishing the mandatory fee for the residents
of the Information Technology Park "Moldova IT Park"
for 2022

Considering that:

- A.** In accordance with art. 6 para (3) of the Law no.77 dated 21 April 2016 on information technology parks, the income sources of the Administration consist also of the mandatory membership fees of the park residents, the amount of which is established by the Administration in accordance with its regulation, depending on the number of park residents and their income from sales;
- B.** According to point 27 of the Regulation on organization and functioning of the Administration of Information Technology Park "Moldova IT Park", approved by Government Decision No. 1144 dated 20 December 2017, the mandatory membership fee amount for the park resident for the respective year is established by the decision of the Administration after approving its budget for the respective year, without the modification of agreements concluded between the Administration and residents of the park;
- C.** According to point 26 of the Regulation on organization and functioning of the Administration of Information Technology Park "Moldova IT Park", approved by Government Decision No. 1144 of 20 December 2017, the mandatory membership fee amount of park residents is established and renewed by the Administration under the provisions of the agreements concluded with the Administration, according to the annex to the respective Regulation, but cannot be less than one conventional unit per month (namely 50 lei at the date of issuance of this Decision);
- D.** The amount of a resident's mandatory membership fee is equal to the sum of annual expenses included in the budget of the Administration for the envisaged year, divided with the total sales income of all park residents for the envisaged year and multiplied by the sales income of the park resident for the envisaged year;
- E.** At the General Assembly of Residents 2022, held on 25 February 2022, the Administration's budget for 2022 was approved in the amount of 9,991,821 lei;
- F.** The forecasted mandatory membership fee of the park resident for 2022, as mentioned under lit. D and E above, considers the following components:

1. The Budget of Administration approved for 2022 in the amount of 9,991,821 lei;
2. Forecasted sales revenue of all residents for 2022 in the amount of 7,465,794,571 lei;
3. Forecasted sales revenue for 2022, declared by each resident.

Administration decides:

1. To establish the forecasted mandatory membership fee of "Moldova IT Park" residents for 2022 in amount of 111 lei per month, for the annual forecasted sales amounting 1,000,000 lei to be obtained annually by the park's residents.
2. To calculate the forecasted mandatory membership fee due by each resident of the Information Technology Park "Moldova IT park" as mentioned under item 1 above, and taking into consideration the forecasted income for 2022, previously submitted to the Administration.
3. To inform each resident of the Information Technology Park "Moldova IT park" about the Resident fee payment Schedule for 2022, without modification of the agreements concluded between the Administration and the residents of the park.
